

Infiltrating Soil Surfactant

GENERAL INFORMATION

Aqua-Aid Granular is a penetrating soil wetting agent formulated to allow for water to more easily penetrate the most compacted soils and more effectively move water through saturated soils that have not reached super saturation. **Aqua-Aid** Granular is easy to use and can be applied at anytime of the year to avoid the detrimental impact of water repellency stress and localized dry spots. **Aqua-Aid** Granular is safe and will not harm turf when used as recommended.

CONDITIONS OF SALE WARRANTY AND LIMITATION OF LIABILITY

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.

AQUA-AID GUARANTEE

Aqua-Aid Granular comes with a 100% money back guarantee. If you are not satisfied with Aqua-Aid for any reason after trying the product at recommended rates, AQUA-AID Solutions will refund your money in full.

RECOMMENDED SPREADER SETTINGS*
