Read Directions

Net Weight:

8 ounces (226 grams)

DIRECTIONS FOR USE:

Insert one **Aquifer** Pellet, with or without container, into the PROportioner jar and use when hand watering and/or syringing. One **Aquifer** Pellet will cover 1 to 3 average size greens, up to 15,000 ft² (1,393 m²). Apply **Aquifer** Pellets as needed.

The flow of water through the PROportioner should follow the molded arrow. Please note some applicators have the flow opposite the molded arrow.
