

AQUA·AID
SOLUTIONS

AcidipHy®

Soil and Water Acidifier

AcidipHy lowers irrigation water and soil solution pH, unlocking and releasing nutrients that were previously unavailable to the plant.

Neutralizes harmful bicarbonate and carbonate levels while keeping calcium and magnesium soluble and effective.

By restoring soil balance and flushing salts, AcidipHy enhances stress resistance and supports stronger plant health.

AcidipHy®

GENERAL INFORMATION

AcidipHy is a unique blend of buffered acidifying agents designed to lower the pH of applied water while reducing the effects of high pH irrigation water. AcidipHy will neutralize the negative effects of high bicarbonate and carbonate levels in irrigation water. AcidipHy is compatible with all conventional irrigation systems or ground spray equipment. Follow instructions and technical information from equipment manufacturers. AcidipHy will not harm turfgrass when used according to label directions.

CONDITIONS OF SALE WARRANTY AND LIMITATION OF LIABILITY

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or MERCHANTABILITY, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.

Danger

HAZARD STATEMENT(S)

Causes severe skin burns and eye damage. Causes serious eye irritation. Harmful to aquatic life.

PRECAUTIONARY STATEMENT(S)

Keep out of reach of children. Read label before use. Do not breathe vapors, mist, or spray. Wash hands, forearms, and other exposed areas thoroughly after handling. Wear protective gloves, protective clothing, and eye protection. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor. Wash contaminated clothing before reuse. Collect spillage. Dispose of contents/container in accordance with local, regional, national, territorial, provincial, and international regulations.

NET WEIGHT

9,609 lbs/US gal at 68° F (1.151 kg/l at 20° C)

CONTAINS NON-PLANT FOOD INGREDIENTS:

Active Ingredients

8.25%	Hydrochloric acid (corrosion inhibited)
8.25%	Phosphoric acid (corrosion inhibited)
0.82%	Oxalic Acid
3.0%	Calcium lignosulfonic acid
1.5%	Non-ionic polyol (dispersing agent)
1.0%	Manganese Sulfate
77.18%	Inert ingredients

DIRECTIONS FOR USE Golf, Lawns, and Sports Turf

Water and soil samples should be taken and analyzed on a routine basis by a reputable lab. Apply and immediately irrigate to field capacity. AcidipHy may be applied monthly or as necessary to maintain desired sodium and bicarbonate levels. Apply at a minimum dilution rate of 50 parts water to 1 part AcidipHy.

Sprayable Application: Apply 1 to 3 ounces per 1,000 ft² in 1 to 2 gallon of water (3 to 9 L/ha in 400 to 800 L) at 30 day intervals or as needed. Irrigate with sufficient water to deliver AcidipHy to the soil profile - 1/8 inch (3 mm) or more recommended.

Irrigation Injection Application: Based on irrigation water hardness, inject 1 to 9 gallons per acre in 50 to 450 gallons of water (10 to 85 L/ha in 470 to 4200 L) at 30 day intervals or as needed.

50 Bicarbonate ppm	1 gallon per acre	(10 L/ha)
100 Bicarbonate ppm	2 gallons per acre	(20 L/ha)
200 Bicarbonate ppm	4 gallons per acre	(37 L/ha)
300 Bicarbonate ppm	6 gallons per acre	(55 L/ha)
400 Bicarbonate ppm	8 gallons per acre	(75 L/ha)
450 Bicarbonate ppm	9 gallons per acre	(85 L/ha)

DO NOT combine AcidipHy in the spray tank with pesticides or fertilizers unless prior use has shown the combination physically compatible, effective and non-injurious under local conditions.

AQUA-AID GUARANTEE

AcidipHy comes with a 100% money back guarantee. If you are not satisfied with AcidipHy for any reason after trying the product at recommended rates, AQUA-AID Solutions will refund your money in full.
